

8th Annual

Fall Rejuvenation Retreat!

Yoga, Juice Fasting and Self Healing

September 19-26, 2010

Juice fasting and yoga are proven, complimentary, highly effective methods for detoxifying the body/mind, restoring radiant health and reconnecting with one's true nature and life purpose. This retreat combines juice fasting and yogic practices that support the body as it detoxifies, rebalances and heals itself. ***Fasting is optional and alternative cleansing diets will be recommended based on individual needs.**

Are you experiencing low energy, aches and pains, indigestion, allergies, constipation, skin irritations, difficulty concentrating, feeling old? Are you addicted to sugar, coffee, carbs, overeating, negativity, the news?

Feel Better Now!

Sun, Sept. 19 Getting Started **6-8pm**

Fasting demystified. Fasting not starving, choosing the cleanse that is appropriate and nourishing for you! Step by step approaches to insure a successful experience.

Fri, Sept. 26 Yin Yoga **6-8pm**

Yin yoga is a powerfully quiet and nurturing practice particularly effective in releasing deeply held tension in connective tissues and joints, thereby freeing up and re-directing the flow of prana/life energy for rejuvenation and healing purposes.

Sat, Sept. 27 Yin Yoga **11am-1pm**

Sat, Sept. 27 Restorative Yoga **2-4pm**

Restorative postures are fully supported and held for longer periods of time than a typical practice providing the body with the conditions it requires to heal and re-establish its natural rhythms. The result is a lasting experience of deep relaxation, peace and wellbeing.

Sun, Sept. 28 Restorative Yoga and Closing **10-2pm**

Retreat Fee: \$175

Attendance is limited. Call to register: 924-7545
